

Development of Women Entrepreneur

HSBC Bangladesh has remained supportive to the development of women entrepreneurs. In 2024, the Bank had provided training to 530 entrepreneurs of which 261 were women in collaboration with BRAC. The entrepreneurs were given training on financial literacy and money management which helped them to improve financial knowledge, debt management, and access to financial services.

HSBC Bangladesh will continue to take various initiatives for development of CMSME sector and women entrepreneurs in coming days.

CMSME & Women Entrepreneur Financing
